Leading officials of the Church of Jesus Christ of Latter-day Saints will attend the Torrance Stake Quarterly Conference Saturday and Sunday.

They are Elder Alvin R. Dyer, an assistant to the Council of Twelve Apostles; Elder John M. Russon of the General Welfare Board, and Elder Rulon B. Stanfield and Mrs. Caroline E. Miner, representing the Mutual Improvement Association for young men and women. They will speak at conference sessions and confer with local leaders.

General sessions will be held Sunday at 9:30 a.m. and 2 p.m. in the Torrance Stake Center, 4110 W. 226th St. Stake President Roland Earl Gagon of Rolling Hills Estates will conduct all sessions.

Mrs. Miner served as a Relief Society teacher for 10 years. She has worked on the General Board since 1953. She is an English teacher at a Salt Lake City high school, and is the mother of eight children.

President Quits Post

John W. Judd, president of the Southwood Riviera Homeowners Association since last October, resigned that post Monday. His resignation was submitted just one week after some members of the group had voted to recall him.

Judd said last night that the board of directors of the group had ruled a meeting held May 2 to be void. At that meeting, attended by some 30 members of the group, a motion to recall Judd was approved.

The association has about 70 voting members, Judd said.

No reason was given him for the recall move, Judd said. "The only thing that I can believe is that those who desire my recall were against the things that I have stood for," he added.

Robert T. Irvin of 23144 Anza Ave., vice president of the group since October, was named to fill the unexpired term. Judd also resigned from the board of directors.

... Council

(Continued from Page 1) five commissions have recommended against (residential development).

The matter was referred to the council committee for study. Wilson and Butcher, as well as homeowners in adjacent areas, will meet with the group. They have been asked to report back to the full council "as soon as possible."
