DAVID K. LYMAN

Our Area's Candidate for State Senator

THE ONLY CANDIDATE WITH A SPECIFIC PROPOSAL for PROPERTY TAX RELIEF for the HOMEOWNER

David K. Lyman believes the homeowner has been taxed to the breaking point. Elderly and retired people, in particular, are often taxed out of their homes. David Lyman believes that a special tax relief provision for elderly tax payers should be enacted in conjunction with an overall 25% reduction in school property taxes for all homeowners.

The revenues lost by this reduction should be replaced by an increase in income tax; a one cent increase in sales tax; and increases in bank, corporation, and inheritance taxes.

David K. Lyman believes the enactment of these measures will insure the continuance of the great American tradition of home ownership.

The Lyman family, David, Marion, Roxanne & Michelle believe more recreational areas should be available for you!

THE ONLY CANDIDATE WITH A SPECIFIC PROPOSAL for the IMPROVEMENT & EXPANSION of OUR RECREATIONAL AREAS!

David K. Lyman believes we must act now to improve and expand our area's recreational facilities. He maintains the state should take an active and vital role in helping us to protect and expand our beaches, parks, and small boat marinas.

Proper state and local planning can insure our children of adequate facilities where they may enjoy their leisure time.
