

TUNEFUL TRIO... It's The Luna Bros. Trio, opening an engagement Monday, the 11th of July, at Sam Feilla's San Franciscan Restaurant on Sepulveda at Crenshaw. Danceable and listenable, are the Lunas.

Spot Checking

(Continued from Page B-6) lite Bowl, Thunderbird Hotel and Century Restaurant, to name-drop some of the better spots.

The Lunas, Fred, Dick and Ralph, consist of piano, bass and drums and play somewhat on the progressive side but very subtly. Both listenable and danceable. The Lunas will be at the very popular Torrance spot for an indefinite time, so catch 'em soon.

Remember, they open on the 11th... that's like next Monday, nite. The Henchmen will be on hand for the rest of this week, closing out their "gig" Sunday.

SMILEY... The ever happy, congenial and helpful bartender-manager of the exciting and intimate cocktail lounge in Rose and Louis Song's Tea House Restaurant on Crenshaw in Torrance, puts fourth his best smile while tending to the needs of his patrons. Also wants you not to forget his Caliente Race Track trip on July 17 from the Tea House... at eight in the ayem!

PRINTS, TOO
Have color prints made of your best movie shots. Not every movie frame will make a good print, but those that are sharp, well-exposed, close-ups produce very satisfactory 2 1/16 by 3 1/2 inch prints.

Camera Club Seats New Officers; Gives Awards

Bob Snodgrass of Palos Verdes Estates has been installed as president of the South Bay Camera Club for a second term. Snodgrass was installed during the club's annual banquet in Lomita.

Other officers of the club are John Hodgson of Torrance, vice president; Mike Bilyk of Torrance, secretary, and Ben Dubin of Rolling Hills, treasurer. Rennie Weber of Torrance won the club's first trophy for the "print of the year," while Hodgson won the "slide of the year" trophy.

Both awards are determined by a vote of the club's members.

AWARDS for the highest cumulative scores in the 10-print competitions held during the year were presented to Florence Harrison of Redondo Beach, first; Snodgrass, second, and Larry Foster of Palos Verdes Estates, third. The slide awards were presented to Sadie Hamilton of Redondo Beach, Harry Roth of Inglewood, and Bob Milligan of Torrance.

Entertainment at the banquet included a slide show of field trips and previous banquets. Slides were provided by Alvis Knowles and Harvey Hamilton.

The club holds a program night on the second Wednesday each month and a community room in Redondo Beach at 8 p.m. No meetings are held during July.

Little Tony's 'Take-Out' Holds Grand Opening

With all the pomp and circumstance of a Broadway opening, Little Tony's will officially open its doors this week-end featuring all the goodie gimmicks such as free balloons for the kiddies, lights, music, "Batman" noise-makers and prices you wouldn't believe Like "would you believe" 25c pizza? Or a huge 35c Italian sausage sandwich?

NEED FLOODLIGHTS

Floodlight substitute: If you need a floodlight and don't happen to have one, put your slide projector to work. Place the projector at a 45 degree angle to the subject. It will give you realistic shadows and a feeling of depth.

And how about ravioli and meat sauce for 59c! Or a 29c torpedo sandwich. Then that meatball sandwich is a full meal in itself and goes for 23 cents each.

Co-owners-operators Frank Accetta and Vince Guarrasi built this attractive Torrance Food-to-Go emporium from the ground up, completing some some weeks back but held back on their grand opening 'til now so as to iron out rough spots and train their personnel. "Rough spots" meaning such as discovering their existing carry-out containers was not as efficient as they at first thought. They have now replaced these with leak-proof foil containers to prevent dripping. All things of this nature must be

taken into consideration when dealing with the public, y know.

Ample parking is available at Little Tony's on West Carson so as to assure patrons of a "no-waiting" period for a spot in which to put your car. It's a fast-service operation with a couple of boys behind the counter who have the know-how of the Take-out business.

No horses were spared nor no stone left unturned when Frank and Vince put their plan on the 1000 sq. ft. of land at 1557 Carson. It's brand new and sparkling, and boasts excellent food and quality products. Here now is a food spot to keep in mind and especially the price! They can't be beat in quality, quantity or price. Try 'em!
