'Life' Set As Subject Of Service

"Life" is the subject for this week's Sunday services in all Christian Science churches. The Bible lesson-sermon includes the account of Jesus raising Jairus' daughter from the dead (Mark 5).

The Golden Text is from John: "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent." Readings from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include this passage: "The way is straight and narrow, which leads to the understanding that God is the only Life. It is a warfare with the flesh, in which we must conquer sin, sickness, and death, either here or hereafter, — certainly before we can reach the goal of Spirit, or life in God."

Doctors quit smoking

CHICAGO — According to a recent survey, 52% of American doctors do not smoke. Many quit recent due, according to the Anti-Tobacco Center of America, to the conclusive evidence linking cigarettes and lung cancer.

Many doctors gave up smoking without straining their will power thanks to a new tablet which helps to progressively eliminate the need for nicotine and, as a result, the desire to smoke. Less than 2% of the 150,000 people who tried this tablet reported they still smoke!

Smokers interested in receiving information (free) about this new tablet are invited to contact directly the Anti-Tobacco Center of America, Dept. 106-X-1, 366 Fifth Avenue, New York 1, New York.

It is sufficient to send your name and address. Just a post-card will do.
