Are you willing to go as low as $1745 for a new VW?

We don't sell status.

Just a car. One that gets about 29 mpg, averages 40,000 miles on a set of tires, and hardly uses oil between changes.

Of course, the fact that it's practical is no secret.

And everybody is going to know that you're saving money. But that's the price you pay for Volkswagen.
