NEW SIGNALS . . . To provide greater protection for children attending St. Catherine's Catholic Church and school and Alondra Park, signals have been installed at the intersection of Redondo Beach Boulevard and Ainsworth Avenue. Testing the signals last week were Mayor Albert Isen, Supervisor Kenneth Hahn, and Rev. Raymond Tepe, pastor of St. Catherine's.

Safety Council Issues Tips for Safe Holiday

Labor Day, last major holiday of the summer season, is approaching and to the millions who will take to the highways over this long holiday weekend the Greater Los Angeles Chapter of the National Safety Council has issued an appeal that they combine "pleasure and safety" on their holiday outings.

Chapter President J. T. Blacklock has issued a series of suggestions to make the holiday motor trip safer. These suggestions include:

- Don't push too hard, drive too far or too long. Fatigue is a major factor in many traffic accidents.
- Allow sufficient time for your trip, both going and coming. Because of the holiday traffic there may be congestion in some areas.
- Drive at speeds consistent with existing conditions. "Speed too fast" for existing conditions contributes to accidents.
- Make good use of your seat belts and good use means wearing them at all times. Seat belts are part of your insurance.
- Study the map of your route in advance if you are driving into unfamiliar areas on unfamiliar highways. This is doubly important if you are driving the freeways.
- Never follow too closely behind the car ahead. "Tailgating" is a major contributor to accidents, particularly on the freeways.
- Be aware of all the cars around you and if the car behind you is following too

Youth Gets Training at Church Camp

Dennis Stirling, 22708 Kathryn Ave., will be graduated from a basic course of military-type training at a special camp in Santa Cruz, Calif., today.

Stirling will participate in formal "pass-in-review" ceremonies at 3 p.m. today as the eight-day camp ends its 124-hour instruction program.

The camp, operated by the Seventh-day Adventist Church, has been preparing draft-age members of the church for military service. Its graduates will enter the Armed Forces as conscientious objectors who refuse to bear arms.

Purpose of the camp is to train young men like Stirling to serve in the medical corps or in another non-combatant position.

WINS ART AWARD

Glenda Whitting of Torrance has won a merit award in the California State Fair Art Show. Her exhibit has been entered in the textiles division of the show.

If you can talk you can write new Space Age Shorthand!

Uses 48 basic syllable sounds • 100-150 WPM in 60-90 days!
