Mrs. Craig Watt will be installed president of the Mothers Club of Torrance for the International Order of Job's Daughters when that group meets for its annual Christmas dinner on Wednesday evening, Dec. 7. The club is composed of the mothers of Job's Daughters in the Torrance area and offers a variety of activities designed to interest all members. Largest project of the club is the bi-monthly luncheon held at the Torrance Masonic Temple. Proceeds of the club's activities are used to defray expenses of summer camp for members of the Torrance Bethel of Job's Daughters. As other funds permit, the mothers help with officer capes, altar cloths, and bus charters for special events. Such expenditures are done with the approval of Mrs. Charles Petersen, Bethel Guardian.
