Bandit Has Bad Teeth, \$340 Haul

A bandit who had "rotten front teeth" robbed the Wilmington Western Union office of \$340 Sunday after he leaped over the counter and ordered the two employes to open the safe.

Police said the man, described as about 40, tall, blond, and acrobatic, walked into the office at 931 Avalon Blvd., brandished a pistol, and jumped over the counter.

He forced Audrene Pollard and Joan Dobson to open a safe and cash boxes, then fled with the \$340 take.

The two women employes told police the gunman had "rotten front teeth."

Marine Lt. Cpl. Vince J. Faessler of 19517 Beckworth St., is in Vietnam serving with the Second Battalion, Fourth Marine Regiment

State Employment Rate Sets Record for July

Capital News Service
SACRAMENTO — A new record for July employment was set in California last month, with unemployment declining from June at about an average rate for the season.

Albert C. Beeson, director of industrial relations, said civilian employment for the month totaled 7,439,000, up 11,000 from the previous record set in June and up 200,000 from a year ago.

Seasonal cutbacks normally reduce total employment in July, Beeson said, but the return of warehousemen after settlement of a trade dispute helped to reverse the pattern this year. Employment in manufacturing benefited from a seasonal upswing in canning and from an expansion in the space-related in-

dustries after several months of little change.

A share of this increase, however, was offset by a reduction in motor vehicles as some of the assembly plants began an early model change-over period this year.

Peter Weinberger, state director of employment, said there were 407,000 persons unemployed in California in July, down 14,000 from June but 30,000 higher than a year ago. The seasonally adjusted unemployment rate was 5.2 per cent in July, compared with 5.1 per cent in June and 5.0 per cent in July of 1966.

Thief Takes Tools; Sets Van on Fire

A truck-trailer rig was stolen, burglarized of \$2,445 in tools, then set on fire and abandoned by a thief Sunday at 190th Street and Van Ness Avenue.

Torrance Officer Herman Garleb spotted the burning rear section of the truck and called fire department units to the scene. The truck's operator, Thomas Wenzl, 705 Pacific Coast Hwy., Hermosa Beach, was contacted and said the truck had been taken from the corner of 182nd Street and Hawthorne Boulevard earlier in the day.

At the scene, he told police officers that five electric
