### Cabrillo Names New President

Leslie V. Esposito, M.D., was elected president of Cabrillo Savings and Loan Association Wednesday, according to James M. Hall, secretary of the association. Dr. Esposito succeeds Pietro Di Carlo, founder and former president who died Tuesday.

"We are all grieved over the association's loss of Mr. Di Carlo and his splendid leadership, but I am proud that the board of directors has seen fit to select me as president," Dr. Esposito said. Dr. Esposito has been a director of the association for four years and during that time has served as a member of the loan committee. He practices medicine in Long Beach and is a former chief of staff at St. Mary's Hospital.

The new president received his bachelor of science degree from Loyola University, Los Angeles, and was graduated from the University of Southern California School of Medicine.

### Storm Drain Turned Over To District

County supervisors have accepted a Lomita storm drain for future jurisdiction, operation, and maintenance by the Flood Control District, Supervisor Burton W. Chace said today.

The action was recommended following a detailed investigation of the facility by members of the Flood Control District staff. It had been requested by the city of Lomita last Aug. 14.

Chace said the 2,166 foot long drain runs in Palos Verdes Drive, crossing Via Marquette, to an outlet at the natural watercourse. It will be integrated into the district's flood control complex serving the north end of Lomita.

### South High Boy Ignores Gun Threat

A teenaged boy wearing a nylon stocking mask over his face attempted to rob the Alta Dena Dairy at gunpoint Tuesday night.

But when the clerk on duty refused to turn over the cash, the would-be bandit walked out saying, "Forget it. This is just a Halloween joke."

Sixteen-year-old Don Hoffman, 375 Camino de Las Colinas, told Torrance police that the masked bandit entered the dairy about 8:30 p.m. and pointed a chrome revolver at him. The South High student said he ignored the bandit's curses and threatening gestures, refusing to turn over any money.
