

Mother Goose Origins Revealed In Musical

"The Strange Case of young people ages 9 through 18. All children are welcome. The play goes on the boards of Perry Park Recreation Center, 2301 Grant Ave., Redondo Beach, on Friday, Dec. 15, 8 p.m.; Saturday, Dec. 16, 2 and 8 p.m.; and Sunday, Dec. 17, 2 p.m. A group discount rate is offered. The play concerns the origin of Mother Goose rhymes. Mother Goose actually lived in 18th Century Boston. She was a lively, original person, portrayed as a Pied Piper sort of character—one of those universally appealing people whose compassion and humor give meaning to life.

GOOD NEIGHBORS . . . Members of the Empty Saddle Club of Rolling Hills have been hard at work since last May rebuilding the home of Bob Krowel, club caretaker. Since the Krowel home was gutted by fire last spring, club members have spent every Saturday and Sunday refurbishing the house. Within 24 hours after the fire, the 50-member club had completely outfitted the clubhouse as a temporary dwelling for the Krowels and their five children. The family was also provided with food, clothing, and money. Shown working on the house are, from left, Harry Swanson, Don Northcut, Lloyd Carr, and Don Barnfather. The club was chosen South Bay Citizen-of-the-Month of December by Great Lake Properties, Inc.

Hearing on Water Rate Hike Set

A public hearing has been set by the California Public Utilities Commission for Tuesday, on the application of California Water Service to increase rates approximately 31 per cent for some 22,000 customers in its Hermosa-Redondo district. Proceedings will begin at 10 a.m. in the Council Chambers at the Hermosa Beach City Hall, 1315 Valley Drive, with Examiner Edmund F. Catey presiding. In its application to the Commission, the water company says it is not realizing the 6.5 per cent rate of return on investment its last increase in January, 1965, should have allowed in the district, which covers Hermosa and Redondo beaches, a small portion of Torrance, and adjacent county territory. Substantial investment in new storage facilities and water mains, increasing cost of water purchased from the Central Basin Municipal Water district, rising property taxes, and anticipated future investment in storage facilities were blamed by the company for adverse effects on earnings.

Exercise Class

New exercise classes for women will begin tomorrow and Dec. 14 at the Lomita Recreation Center, 24428 Eshelman Ave., according to Mrs. Marsha Billings, instructor. The classes will meet from 10:30 to 11:30 a.m. Thursdays for two weeks.
