

Couple Injured

A Lomita couple suffered minor injuries Wednesday when their car collided with another vehicle at the intersection of Sepulveda and Cabrillo. They are Mr. and Mrs. Edward J. Barrera of 2273 W. 255th St.

The driver of the other car, Etta Ruth Rallis, 22704 Benner, was cited for failing to stop for a red light.

Both cars sustained major damage.

AT CHRISTMAS PARTY . . . Scrapy Lambert, a member of the Vikings, a group of philanthropic Los Angeles business and professional men, chats with Orlando Vallejo, 11-year-old son of Mr. and Mrs. Robert Vallejo of 1547 W. 206th St., who suffers from muscular dystrophy. Orlando missed the party given by the Vikings for dystrophic children each year, so members of the Vikings staged a special party for Orlando. He is being prepared for surgery at Rancho Los Amigos Hospital and is expected to remain in the hospital for a year.

Do you wish Christmas meant more to you?

There are some who think that the Christmas story no longer has any meaning. But the coming of the Christ is not just an isolated event that took place 2,000 years ago. For many, the joy and the inspiration of the Christ spirit come daily to help and to heal.

If you would like to know what Christmas can really mean to you, you will find some very good answers in the Christian Science Reading Room.

There you may read about the birth and the life of Jesus in the Bible. And, there you may find a book that illumines his teachings and shows you how they can inspire and uplift you today. It is called "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Won't you come in and spend a few minutes of quiet study and prayer?
