

Few Tickets Remain For College Musical

A limited number of tickets remain for the seven performances of El Camino College's spring musical, "Guys and Dolls," which opens Thursday, May 11, at 8:30 p.m. in the Campus Theater.

Tickets are available in the college bookstore. Admission is \$1.50 and all seats are reserved.

Performances are also scheduled for May 12, 13, 17, 18, 19, and 20.

The comedy will be "full of surprises" and will deviate from the original Broadway production in several ways.

Science Shrinks Piles Without Surgery Stops Itch—Relieves Pain ... Except In Unusually Severe Or Persistent Cases.

New York, N.Y. (Special): Science has found a substance with the ability, in most cases—to shrink hemorrhoids, stop burning itch and relieve pain without surgery except in unusually severe or persistent cases.

In one hemorrhoid case after another, very striking improvement was reported and verified by doctors' observations. Pain and itching were promptly relieved. Then this substance starts right in to gently shrink hemorrhoids.

Tests conducted on hundreds of patients by doctors in New

York City, in Washington, D.C. and at a Midwest Medical Center proved this so. And it was all done without surgery, injections, narcotics or astringents of any kind.

The secret is Preparation H®—the only formula for the treatment of hemorrhoids that contains Bio-Dyne®. Preparation H also lubricates to make bowel movements less painful, soothes irritated tissues and helps prevent further infection. Preparation H comes in ointment or suppository form. No prescription is needed.
