

Tartar Teen Talk

By Pam Anderson

May brings a busy schedule filled with sports or social happenings — something for everyone.

This Friday will entertain your appetite and your feet. The Mannequin Club will sell the prize winning cakes from the Bake contest on Friday, before and after school. Look for the pink and yellow boxes. Sophomores will host their Sports nite in the boys' gym Friday at 7:30. The price is only 25 cents for an evening of volleyball, basketball, ping-pong, and badminton. Come out for an evening of exercise and fun.

NEXT ON the May calendar are the student body elections which will be May 11. The election assembly will be next Wednesday and at that time pep squad candidates will perform for the students. Be sure to vote May 11 for your fall semester student body officers. This is your only way to have a voice in school government.

May 12 and 13 will bring a first in THS musical happenings. The music department under the direction of Mr. Bobby Webber will present Torrance High's first opera, "Meet California." This musical comedy will star THS's finest performers in the Torrance High auditorium. Curtain will be at 8 p.m., \$1 for adults and 50 cents for children and ASB card holders.

THE ANNUAL Achievement Awards Banquet, designed to honor outstanding students in 21 different academic areas, will be held May 11 in the boys' gym. At this banquet the top students from each will be honored with trophies, plaques and certificates.

School pictures are coming! These pictures will be used for ASB cards and the annual. They are in color and will be available for purchase. Remember the day—Tuesday—and wear white!

HERE IS THE sports calendar for the week. The league leading Tartars will defend their title this week against the two main contenders for first place. Tuesday Morning-

Boundary Line Drawn for President Avenue School

Boundaries for the new \$835,000 contract awarded by the Los Angeles City Board of Education. Initial enrollment at the President Avenue School will be about 790. Included will be some 330 pupils to be transferred from the Harbor City Elementary School, and 165 students from Normont Elementary School.

Private Thomas R. Hess, 19, son of Mrs. Blanch M. Hess, 1443 E. 223rd St., completed a seven-week armor vehicle mechanic course at the Army Armor School, Ft. Knox, Ky., April 19.

He received instruction in the maintenance and repair of wheeled and truck vehicles in armor units. He was also trained in the operation of power systems and suspension assemblies in armor vehicles.
