

**CHARITY BEGINS AT HOME** ... Putting their hearts into a good cause, these students at Newton Elementary School collected \$50 from a paper drive and decided to give the money to the Los Angeles County Heart Association. Shown is Sheri Tripaldi, fourth grader, giving the kids' donation to her principal, Dr. Dale Wickstrom. Watching are (left to right) Brad Baker, eighth grade, Linda McKie, seventh grade, and Rick Anderson, seventh grade.

### North High Grad Gets Sigma Xi Grant-in-Aid

The Society of the Sigma Xi announced last week through the chairman of its grants-in-aid-of-research committee, Dr. Hariowe Shapley, an award to Robert S. Bereskin of the University of California, Santa Barbara.

### Weather Reports To Be Broadcast

Weather reports in the Catalina Channel will be given three or four times each day during the summer, beginning Memorial Day and continuing through Labor Day.

The reports, sponsored by the U.S. Coast Guard Auxiliary, will be heard on radio stations KLAC and KHJ. Data will be gathered by Coast Guard Auxiliary vessels on patrol.

Bereskin is a 1960 graduate of North High and the son of Louis Bereskin, 17416 Delia St., who teaches Latin at North High School.

The award was made to Bereskin to assist him in his study of Carbonate Petrology and Biostratigraphy of the Sultan limestone (Devonian) Eastern California and Western Nevada.

Dr. Shapley, in making his announcement, stated, "Sigma Xi each year makes a number of grants to the most promising scientists at critical points in their research careers. We recognize that many needs are relatively too small for the large foundations to consider and it is to meet these needs that our research fund is maintained."

### Air Force To Expand Enlistment

Expanded enlistment opportunities are being offered by the Air Force, T/Sgt. Howard W. Pederson, Torrance Air Force recruiter, said today.

It is now possible for men with prior service to enlist in the Air Force in grades ranging from airman second class to master sergeant, depending upon their specialty code and length of time since serving on active duty, Sergeant Pederson said.

It also is possible for young men to be assigned to the base of their choice. Full information about the program is available at the Torrance Air Force Recruiting Office, 1616 Cabrillo Ave.

### Crusade Leaders To Meet Friday

Torrance women taking top leadership roles in the 1967 United Crusade residential campaign will be guests of Mrs. Earl Fisher Friday for an informal brunch in the hostess' Mediterranean type home on the Palos Verdes Peninsula.

Mrs. Fisher, general chairman for the house-to-house phase of the annual fund drive conducted in behalf of Red Cross and United Way, is entertaining community leaders for the drive here as well as those from Gardena, Lomita, Harbor City, San Pedro, Wilmington, and Palos Verdes, other communities within the Harbor Area.

While general plans for the fall drive will be discussed.

### Contacts Italy

Jim Hall, an advanced electronics student at South High, has contacted Viareggio, Italy, by radio-telephone through South's amateur radio station. He is the son of Mr. and Mrs. John C. Hill of 539 Camino de Encanto. His Italian contact was Tomel Virgilio.

Mrs. Fisher says this event is primarily planned as a get-acquainted session.

The residential solicitation is carried out in the Harbor Area by volunteers representing various agencies of the United Way, Red Cross, PTAs, and other community organizations.

Under Mrs. Fisher's direction, more than 4,000 volunteers will be recruited during the summer to assist in the October doorbell ringing to raise the goal set for this campaigning unit, over \$40,000.
