

... Pueblo

Continued from Page A1)
 "It is the parent and the child that are important, not the agency involved," he continued.
 Fears that the program may be canceled or placed in the hands of another agency were voiced Monday after Pacheco said he was informed that his agency was to leave the St. Joseph Church building by Aug. 31, the last day of the present Head Start contract.

PACHECO AND several members of the Pueblo Club said it was their impression that the Catholic Church was going to start a Head Start program in the church.

But, according to a Los Angeles Archdiocese Head Start spokesman, Sister Mary Bernadette, there are no announced plans to take over the site with another program.

"The assumption that the Church was going to take over the program is not correct," she said.

Sister Bernadette speculated that the change may be because of some ruling concerning use of the property as a school.

THE PARISH priest, Father Lacerno, said he understood that the program was going to be discontinued because of a problem involving the tax status of the property.

Former instructor Scrivner said she understood that the church was not going to take over and that the announcement was made under a misunderstanding of the Church rules.

Apparently ready to step into the Del Amo Boulevard area, the Federation of Settlements and Centers has announced plans to continue the Head Start program if all other agencies are forced to leave the area.

Cliff Hutter, director of the Federation, said his organization would do the best it can to get a program in that area.

"WE WOULD even go to the extent of having a portable classroom brought into

Red Cross Offers Two Mothers' Aide Courses

Southern District Red Cross Nursing Services at the service center, First Street and Western Avenue, San Pedro, will give its latest course for future instructors of the Mother's Aide courses.
 The instructor course explains to leaders of various groups working with youths, and to persons who would like to teach the course to a group, the methods that are usable in instructing the content of Mother's Aide courses.
 Course content for the instructor course (and subsequently for the Mother's Aide course itself) includes: skills in bathing, diapering, bottle feeding and interesting the child in other foods; hints for entertaining a child at home or at a recreational facility; and the responsibility inherent in taking a child to a playground; preparation for sleep; environmental safety with emphasis on mouth-to-mouth resuscitation; ethics of baby sitting, such as prudent use of the home — not a time or place for dates — and refrigerator; and one's own safety — what to do in case of a prowler or fire.
 Mrs. Phyllis Chamness, Southern District Red Cross Nursing Services Field Representative and a registered nurse, will teach the course for instructors of Mother's Aides. The course will consist of two sessions to meet from 1 to 4 p.m., June 26 and 28.

... Salary

Continued from Page A1)
 D and C levels in the district, they claim.

Mrs. Kenneth Watts said that if the Board votes the increase asked for this year, reserves would be hit so hard that there would be no room for any raises in salary next year.

"If the adjustment makes the schedule come out to a two-to-one ration, that's fine, but let's not set a precedent," said Mrs. Watts.

Superintendent of School Dr. J. H. Hull proposed, that the board set the minimum and maximum, but let the TEA decide how to spread it over the scale.

Bert Lynn maintained that it was just that kind of thinking that got the schedule in the "terrible mess" it's in now.

The Board indicated they would try to come to a motion on the salary schedules at the July 3 meeting, 8 p.m. in the Board room.

the area. The Federation is willing to take over if the community wants us," he said.

Hutter's organization is responsible for almost all the Head Start centers in the South Bay area while the Mexican-American Council only has the St. Joseph center in the Torrance area.

Although the fate of the program is not apparently known, Hutter said a Head Start program would be enacted by his agency within a few weeks if the present program is forced to terminate.

Auto Strikes 15-Year-Old Pedestrian

A pedestrian taking a short cut across a busy boulevard ended his walk in an ambulance after he was struck by an auto at Hawthorne and Torrance Boulevards.

Fifteen-year-old William Dietz, 21501 S. Madrona Ave., was taken to Little Company of Mary Hospital with a fractured arm after an auto driven by Connie Christie, 25247 Bigelow Rd., hit him as he stepped out between two cars into her traffic lane.

Christie said she was traveling about 30 mph before the accident on Torrance Boulevard, and could not stop as Dietz entered her lane.

The accident occurred in heavy traffic only 100 feet from the intersection's crosswalk. The driver was not held or cited by police.

Lomita Recreation Center Resumes Archery Classes

Archery classes resume at the Lomita Recreation Center beginning June 27.

Three archery classes have been scheduled. The first of these classes will be a junior boys' archery class. It is designed for all boys between the ages of 7 and 9.

The class provides the basic fundamentals of archery: stringing the bow, aiming, correct shooting and execution of proper safety procedures. The class will meet Tuesdays and Thursdays from 2 p.m. until 3 p.m.

The second class will be a girls' archery class, from ages 7 through 14, and provides the same basic instruction as the boys' junior class. This class also meets Tuesdays and Thursdays, from 3 p.m. to 4 p.m.

A senior archery class for boys 10 through 14 will provide not only basic instruction, but additional intermediate techniques which may be used in this popular sport. The class meets Tuesdays and Thursdays from 4 p.m. to 5 p.m.

Registration for all classes will be taken on a first come, first serve basis. There is no fee for the classes. All necessary equipment will be provided by the center. For further information, contact Bob Ciborowski at Lomita Recreation Center, 24428 Eshelman Ave.

Honor Society Elects Student

Willard Mark Wood, 150 Paseo de la Concho, Redondo Beach, was elected to the Order of the Coif, a national legal honor society, from the student body of USC's Law Center.

Besides Wood, the society elected 11 other USC law students.

... Chamber

Continued from Page A1)
 Little Company of Mary Hospital will serve a two-year term; and Gerald L. Alter, owner of Alter Realty & Insurance, will serve one year. The new board members and 1967-68 officers will be installed at the Chamber's annual banquet June 30 in the Pen and Quill.

ACT Calls Meeting on Petitions

An information meeting sponsored by Active Citizens of Torrance (ACT) has been called for 8 this evening at McMaster Park recreation building, Artesia Boulevard and Yukon.

Principal items of discussion will be petitions currently in circulation by the group which seek to nullify the city's housing code and to force a referendum on the city's Redevelopment Agency.
