

**FIRST PRIZE . . .** This sterling silver teapot with a gold-plated interior won first prize in the Sterling Silver Design Competition of the Sterling Silver-Smiths of America Guild. Designer Richard Johnston is the son of Mr. and Mrs. Mervyn Johnston of 2410 Grand Summit Road, and a student at Cranbrook Academy of Art, Bloomfield Hills, Mich. Johnston received \$500 for the piece.

## Safety First on Summer Outings

Now that school is out, hundreds of families will pick up the family car and set off for mountains, desert and beaches.

Some will be traveling for several weeks, others only over a weekend, but in any case the possibility of traffic accidents is high and Red Cross took note of the summer travel season by issuing the following safety on the road tips:

- Make sure your car is in good condition — that its brakes, lights, signal devices, windshield wipers, exhaust systems, and steering mechanism are working properly and that all tires, including the spare, are in good condition.
- Keep a complete first aid kit in your car, and know how to use it.
- Carry flares so that in case of a flat or if your car breaks down, you can use them to warn oncoming drivers.
- Pack the trunk so that the jack, its handle and the spare tire are readily accessible. Pack the interior of the car so that the driver has a clear view from rear and sides as well as the front.

### Brother McNeil Seeks Doctorate

Brother John McNeil, son of Mrs. Bertha McNeil of Torrance, is pursuing doctoral studies in physics at UCLA.

Brother McNeil is the director of Chaminate's "Hi Sierra" program. Last summer 60 students of Chaminate Preparatory, Canoga Park, trekked 350 miles through the High Sierras with the Brothers.

The club entered a new phase of mountaineering this winter with a snow and ski trip to Yosemite.

- Have seat belts for all passengers and keep them fastened while traveling.
- If you are the only driver, take a break from the road every two hours or so to keep alert. Do not stay behind the wheel for hours and become overtired.
- Drive defensively. Make allowances for the unpredictable acts of drivers less careful than you.
- After traveling over bumpy and rocky roads, check all tires for damage before returning to turnpike speeds.

Last year there were 52,500 traffic accident deaths and 4,400,000 injuries. Almost 88 per cent of the vehicles involved were passenger cars. Forty per cent of the deaths occurred on weekends.

### County Sets Installation Of Signals

Vehicle-actuated traffic signals at the intersections of Bonita Street with Carson and 223rd Streets will be installed by September, Supervisor Kenneth Hahn said today.

Carson and 223rd Streets are major highways carrying 15,000 and 6,000 vehicles respectively each day across the Bonita Street intersection.

"The work, to be complete for the new school semester, will greatly increase safety and add to the efficiency of these important roadways," Hahn said.

## Citizen of Month Fete Scheduled

Gerald C. Richardson, has been named "Citizen of the Month of June" by Great Lakes Properties, Inc., in honor of his contribution to the Youth Employment Service which this month begins its 13th year of finding temporary and permanent employment for high school and college students throughout California.

"I have always felt that one of a community's great assets is its young people," Richardson said, "and I, for one was very eager for community involvement. I think our program is at least a start in this direction."

Richardson lives with his wife and two children at 1225 17th St., Manhattan Beach, and is an account executive with Transport Underwriters in Los Angeles.

He will be honored tomorrow at the luncheon meeting of the Manhattan Beach Lions Club.

## Watson Gives Diplomas to Area Men

Two men, one from Torrance and the other from Redondo Beach, were among the 33 who received personal property trainee - appraisers graduation certificates today from County Assessor Phillip E. Watson in the hearing room of the Board of Supervisors.

James A. Elder, 22641 Crosshill Ave., and Albert Lynch, 329 Palos Verdes Blvd., Redondo Beach, marked the completion of a year's classroom and on-the-job training with promotion to the rank of appraisers.

## Fire Chief Urges Caution With July 4th Fireworks

High fire hazard conditions exist throughout the county and special precautions should be taken with fireworks during the July 4th holiday, County Fire Chief Keith E. Klinger warned today.

Klinger reminded residents that fireworks of any type are forbidden in all brush and forest covered areas, all unincorporated county area, and in many cities. "Safe and sane" fireworks can be discharged only in those cities which permit their sale.

"Every year, we have many fires caused by fireworks," Chief Klinger said. "People carelessly throw sparklers onto shingle roofs or into a grassy field, or permit the sparks from fireworks to fall onto something that will burn."

The Los Angeles County Fire Department answered 403 alarms over the three-day July 4th holiday in 1966. This included 70 structural fires and 124 brush or grass fires.

Chief Klinger repeated the warning he issued earlier this year that the wet winter has brought a record crop of high grass and brush, and firemen face a dangerous situation throughout the county.

County fire patrolmen in the brush-covered areas will enforce the strict "no fireworks" ordinance.

All fire crackers are prohibited by law and fireworks which do not have the "safe and sane" approval seal of the state fire marshal are illegal in all areas of the state.

## Gardena Woman Pleads Guilty to Grand Theft

In recent Superior Court proceedings, Magdalena Kocsis, 38, of 149 Parron Ave., Gardena, entered a plea of guilty to charges of grand theft and was ordered to appear July 13 for probation and sentencing.

She was arrested under a Torrance police warrant Feb. 16 when jewelry, clothing, television sets and other items worth an estimated \$35,000 were found in her possession.

20-year-old George Sloss of Hawthorne has entered a plea of not guilty by reason of insanity and will stand trial July 25 on charges of running down Torrance Detective Lee Graber last Feb. 3.

Graber and his partner had stopped Sloss to investigate a report of a possible stolen car.

Paul A. Pesaniello, 18-year-old box boy of 4832 Reynolds Drive, was convicted on charges of grand theft and

sentenced to two years probation, provided he spends the first 60 days in Los Angeles County jail.

Pesaniello entered a plea of guilty to charges that he stole tires and wheels from a racing car March 31.

Paul A. Pesaniello, 18-year-old box boy of 4832 Reynolds Drive, was convicted on charges of grand theft and

sentenced to two years probation, provided he spends the first 60 days in Los Angeles County jail.
