What's new under the sun? On June 16th, RTD will begin operation of several new lines. New service to Marineland, new commuter service between Van Nuys and Los Angeles, plus an improved service to Knott's, Disneyland and Santa Ana. Line 125 will offer commuter service from Rolling Hills via Redondo, Hermosa, and Manhattan Beach to Los Angeles. In addition, two trips daily, plus 6 trips Saturday and Sunday to Marineland from the RTD terminal. Commuter service from Van Nuys via North Hollywood and Burbank, using the Golden State Freeway to Los Angeles. This line will be known as Line 122. Improved service to Disneyland and Santa Ana via Knott's Berry Farm will leave from the new terminal. Send for timetables of these new summer fun lines.

What to do with, or for the kids during the summer months is always a problem. It used to be, when you and I were kids, there was plenty of work to do around the place. Now, besides mowing the lawn or trimming the hedge, that's about it. Not every parent can supply their offspring with the luxury of a car, so this is where RTD can help. Their Student Privilege Card will provide them with reduced fare, or they can come and go as often as they like on a monthly pass. Send for a system map and see all the interesting places that are within reach on RTD.

The Rose Bowl has been invaded by Wolves; not only that, the Wolves call it their home. I am referring to the Los Angeles Wolves Soccer Team. Now before you knock it, let me warn you, if you haven't watched soccer, you've missed a real exciting sport. I haven't seen so much action since the mother-in-law got her skirt caught in the power mower. The Rose Bowl can be reached, partly by bus, and partly by foot. Take the RTD 110 line; get off at Lincoln & Seco and walk west to the Bowl.

Q. How do I get to the City of Whittier from Hawthorne? I live near the 5 line. L.R.
A. Take the 5 line to 6th & Broadway and transfer to the 72 bus going east on 6th. The 72 line goes to the downtown Whittier bus station.

Q. I am new in Redondo Beach. I need a fast way to downtown Los Angeles, and the 5 line is too slow. How can I get to downtown Hermosa Beach, and Hermosa Beach, also? Miss R.C.
A. Starting June 16th, a new fast commuter line will go to downtown Los Angeles from Rolling Hills. It will stop nearest you at Carson & Hawthorne. To go to Redondo & Hermosa, take the 102 line on Hawthorne.

Q. How can I get from Carson & Hawthorne to downtown Long Beach? Mrs. J.F.M.
A. Greyhound local operates from Hawthorne & Torrance Boulevard to Long Beach. Also, if my map is correct, Torrance #1 line at Hawthorne & Carson connects with the Torrance #3 line to Long Beach. Better check this out with Torrance Municipal Lines.

Q. Please tell me how to get to the Del Amo Shopping Center from Hardy & Hawthorne. L.K.
A. Catch the 5 line on Hawthorne and ride to the end of the line, then change to the 102 line to Carson (Del Amo Shopping Center). I'll send you a map and timetable.
