News and information about your public-owned transportation system, published in this newspaper as a community service from the headquarters of the Rapid Transit District.

By ARTIE DEE
Transportation Editor

Some months ago, I suggested a tour folder for do-it-yourself tours on RTD buses. Reader interest indicated a desire for something like this, so it will soon be available. Twenty-one trips on public transportation to points of interest in 4 counties. Some of these trips take a full day; some, as little as a few hours. Southern California is full of interesting places to see and many of them are accessible by bus. Send for your do-it-yourself tour folder and live a little.

Many youngsters will be attending summer school to better their education, and I think this is really great. I remember when I was in the 8th grade—those were the years. I was expelled for a week once, because I took a day off to register for the draft. Should your boy or girl be planning to attend summer school, remember the Student Privilege Card is good for ½ off regular fare, and is good all summer long.

I never knew there was so much to do and see around this town that doesn't cost a cent, or, at least, is reasonably priced. Softball, tennis, amateur photography, and fishing contests, to mention a few. One event in point is the 42nd annual City Parks Tennis Tournament beginning the week of June 17th.

The tournament will be held at Griffith Recreation Courts, Los Feliz and Riverside Drive. Readily accessible by 23, 31 or 86 lines, and easy to reach from almost any part of the city by transferring to one of these lines. The winners of this tournament will compete in the National Public Parks Tennis Tournament August 12-18. For further details, call 666-4644.

Just a reminder that the new service mentioned in this column two weeks ago will begin this week. That would be the 125 line offering commuter service between Rolling Hills and Los Angeles, via Walteria, West Torrance, Redondo Beach, Hermosa Beach and Manhattan Beach. This same line offers Marineland service 7 days a week, also. In addition, the new Freeway Flyer Line 188 from Van Nuys through North Hollywood and Burbank will begin service this week, also. Send for the new timetables now.

Q. I live in Inglewood near Beach Street and Centinela. How can I get to El Camino College? How much time does the trip take? B.W.

A. Take the 10 line to Imperial and Crenshaw, and the 101 to the college. The trip will take approximately 30 minutes.

Q. What bus or buses would I take from downtown Inglewood to Norwalk? F.I.M.

A. The 5 line to Los Angeles and the 58 line from the terminal. I'll send you your monthly pass folder and map.

Q. How can I get from Playa Del Rey to Los Angeles? Mrs. A.A.J.

A. There are two ways; the 13 line on Culver Boulevard will take you to Los Angeles, or the 54 line to Inglewood and the 5 line to Los Angeles is the other way. I'll send you a map and timetables.

Q. We live in Walteria, how can I get to downtown Los Angeles and Pasadena? L.V.

A. Starting June 16th, Line 125 will offer express service from Rolling Hills Estates through Walteria to Los Angeles. From Los Angeles (Spring Street), take the 70 or 71 line to Pasadena.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY.
