WE'LL HELP YOU WRITE YOUR WANT AD

Renault's used Renaults are the toughest used Renaults you can buy.

The used Renaults on our lot were traded in for new Renaults. So if they hadn't proven to their owners that they were tough little cars, we'd have had a tough time selling them another Renault.

That's the kind of used Renaults we have—all tuned up and put in tip-top shape by our Renault-trained mechanics.

You can well understand why we really go over every used Renault.

After all, we want to make sure it sells the next owner a new Renault, too.
