

### Broadway Contract Approved

A contract has been awarded to improve Broadway between Alondra boulevard and Walnut street, Supervisor Kenneth Hahn said.

"Broadway will be reconstructed and widened to provide a fully improved, four-lane highway with curb, gutter and sidewalk," Hahn said.

Trees eventually will be planted along the street.

The project is within Carson. However, since the project had been programmed by the County prior to the recent incorporation, the County is funding the cost of most of the improvements.

"The project," Hahn said, "is another phase in the improvement and development of this important north-south arterial highway."

The improvements will more than double the capacity of this Master Plan Highway to better serve the commercial and manufacturing establishments in this south-central area of the County.

While the work is in progress, which is slated for completion in June, through traffic will be subject to the following conditions:

Broadway — one lane in each direction will be maintained at all times.

168th street—may be closed at its intersection with Broadway for a short period of time during construction work therein.

Low bid for the work was \$58,925 from Alicon Construction of Gardena.

### Intellectual Jackpot Hit By Resident

A local resident has hit the intellectual jackpot.

Kenneth W. Humphrey of 1213 W. Opp St., Wilmington, was one of 240 winners in the Laura Scudder's Encyclopaedia Britannica sweepstakes.

Published by the world-acknowledged leader in the field, the winner's prize is a 15-volume set of the Encyclopaedia Britannica Junior costing \$150.

The contest covered California, Nevada, and Arizona areas. Contestants found entry blanks in all of Laura Scudder's variety packs and 6-packs of the world's noisiest potato chips, barbecue chips, and corn chips and at display racks.

Selection of the winners was conducted by the Encyclopaedia Britannica.

"We are most pleased to present this prize to our local winner," said Lawrence P. Youngblood, vice president and general product manager. "In today's ever-increasing demand for knowledge we feel these volumes will be informative as well as pleasurable reading for the 240 families who will be recipients of books."

Delivery of the Encyclopaedia will be made by the local sales management personnel, William Duty, in a colorful Laura Scudder's truck.

### Workshop Set for Women

Improved relations between members of a family is the goal of a UCLA Extension daytime workshop for women in "New Dimensions in Family Living." The workshop will meet Mondays, April 14 to June 16, 10 a.m. to 12:30 p.m., at the home of Mrs. Verlyn Roschewski, 401 Via Los Miradores.

An accepting group atmosphere will enable participants to explore new dimensions of trust, autonomy, responsibility and intimacy—to develop deeper and more satisfying family interaction. The 10-week program is designed and supervised by Dr. Phyllis Liu, clinical psychologist and associate director of the marriage counseling program at the UCLA Counseling Center. Co-leaders trained by Dr. Liu are Patricia Davison and Shirley Meyers.

### WOMEN SUFFER WITH BLADDER IRRITATION

Common Kidney or Bladder Irritations affect twice as many women as men, often causing tenderness and nervousness from frequent, burning, itching urination. Secondly, you may lose sleep and have headaches, backaches and feel older, tired, depressed. In such cases, CYS-EX usually brings relaxing comfort by curbing germs in acid urine, and easing pain. Get CYS-EX at drugists today.
