### Senior High Students Tour Nursing School

With the accent on youth, the weaker sex showed its mettle during an educational field trip — the setting, "Girls' Day" at California Hospital Medical Center.

Sharpened pencils paired with sharp minds as more than 20 senior high school students toured the medical center and the California Hospital School of Nursing.

Selected for the outing be-

cause of their interest in the nursing profession, the girls seized every opportunity for first hand investigation of hospital care as related to the role of the woman in white.

And, meeting the teens halfway, the nursing department transformed the hospital into a groovy scene, where girls were led from the "now generation" (nursery) to the "launching pad" (delivery room) and

"kidsville" (pediatric department). Other areas toured included surgery, central service, and patient care floors.

Each student completed her tour through the School of Nursing with a memento photo of herself in cap and cape — coveted symbols of her senior counterpart — the student nurse.

Following a luncheon, the visitors matched wits with fac-

ulty members in a lively question and answer period, before being dismissed to return, the next day, to their regular school routine.

As one young lady phrased it, "Today made sense. When I'm tempted not to study, I'll think of all this as my goal and realize how important good grades really are."

### Officers Wives Club To Hear Miss DeCamp

Flower decked tables will greet members of the Air Force Officers Wives Club when they gather on April 8 at the Air Force Station Officers Club in Los Angeles for the highlight of their program for the year.

The guest will be Rosemary DeCamp, wife of Judge John Shidler of the Hollywood Riviera section of Torrance. Miss DeCamp, motion picture and television personality, will discuss her hobby, copper enamel and college for the group. The artist's work will be on exhibit during June at the Los Angeles Museum of Science and Industry. Officers Wives and their guests will see a preview of the exhibit as they hear Miss DeCamp relate experiences in the theater, her hobby, her work and her travels.

The meeting will begin at 10:30 a.m. with a receiving line honoring Officers Wives Club advisor, Mrs. Arthur Exon, whose husband, Brig. General
