Measles Campaign Scheduled

An intensive county-wide free immunization program to eradicate the 10-day red measles will be launched by the County Health Department in a two-day campaign Saturday and Sunday, April 26 and 27.

County Health Officer Dr. Gerald A. Heibredner warned that even though measles can kill, cause mental retardation and deafness, there are still approximately 187,000 children between the ages of one to five, who have not been immunized in Los Angeles County.

"LAST YEAR there were 154 cases and one child died from measles. This is particularly tragic since the death could have been possibly avoided if the child had been vaccinated," Dr. Heibredner said.

Immunization centers against measles will be set up for children in the one-to-five-year age bracket in center throughout all of the county's 23 community health districts. The two-day immunization clinics will be in operation between 11 a.m. to 3 p.m. Staffing for the campaign will include County Health Department staff and community workers.

"SINCE TODAY'S vaccine is safe and highly effective, it is unfortunate for any parent to deprive a child of complete protection against his communicable disease," Dr. Heibredner said.

He pointed out that there is an adequate supply of vaccine to eradicate measles in Los Angeles County.

Any parent desiring more information on measles immunization may contact the Torrance District Health Center, 2300 W. Carson St.

Other centers in this area are located at 217 Beryl St., Redondo Beach; 23233 S. Avalon Blvd., Wilmington; and 612 W. E. St., Wilmington.

Workshop Sessions Planned

A delegation of educators and parents from the Southwest Association for Retarded Children will travel to Antelope Valley to attend the District 9 meeting of the California Council for Retarded Children Saturday.

The business meeting and special workshop session being held at Desert Haven Training Center, a facility managed by the Antelope Valley Association for Retarded Children, will begin at 10 a.m.

Patrick Grover, District 9 director, said that the workshop session will be devoted to "How to Achieve More Community Support and Services."

GUEST speakers will include Dr. Russell Herron, Ventura County Association for Retarded Children, president and Herbert Richert, executive director of centers for the Ventura County Association.

They will discuss methods used to involve community agencies in sharing the costs of providing services and programs for the mentally retarded and how Ventura County successfully established a Community Help Center.

The Southwest Association for Retarded Children is one of 10 units belonging to District 9 of the California Council for Retarded Children. It is a non-profit, non-secretarian organization serving 18 area cities.

Democratic Club to Host Party Chief

Leonard Dublin, organizational chairman for the Los Angeles County Democratic Committee, will speak on party unity tomorrow at the meeting of Torrance Democrats, Inc., Club.

The meeting will be held at a restaurant at 1332 Sartori Ave., at 7:30 p.m. The public is invited.

Further information is available from Edward Earle, president, and Jackie Burdick, secretary.
