"I defy anyone to be uncomfortable in this car."

Stirling Moss

"I can't recall a car in which the seats afford such an astonishing degree of luxury. Correction. The Mercedes-Benz 600 does—but it will cost you 10 times as much as this one. Covered in leather-cloth, the Renault 16's seats are filled with thick foam cushions and give full support where you need it..." "The front ones are fully reclining and are adjustable through a multitude of positions..."

"The rear bench seat is also adjustable: in fact, you can take the whole thing out if you want to."

(So said Stirling Moss in QUEEN Magazine, a British publication. He was talking about the Renault 16 Sedan-Wagon. The sedan that changes into a station wagon. And back again, whenever you want.)

"...and I would like to offer my congratulations for producing this sensational motorcar for a very low price." $2495
