

CAMPUS HAPPENING . . . Dr. Ephraim Sando (left), literature instructor at Cal State Dominguez Hills, reviews a copy of the school's new literary magazine with Robert Clark, a Torrance student on leave from U.S. Steel. Clark is editor of the new magazine, to be known as "Dominguez." The first edition of the literary periodical features the work of members of the Dominguez Writers' Workshop, most of whom are students of Dr. Sando. Prize-winning authors and their work were Mrs. Paula Reuben, "The Lemon Tree," and Letty Hust, "The Mahogany Monster."
